### Late to the Party:

The US M26 Pershing Tank in World War II

Debuting on the battlefields of Western Europe late in the war, the US Army's first heavy tank, the M26 Pershing, had only a short opportunity to prove it was the "Panzer Buster" its designers claimed. *by Arnold Blumberg*

WINTER STORM: GERMAN DRIVE ON STALINGRAD

On 19 November 1942, the Red Army launched Operation Uranus (the envelopment of German Sixth Army fighting in Stalingrad). Both sides knew Stalingrad was the linchpin of the German defense along the entire southern portion of the front.
