Yamato Unleashed

The Battle off Samar,
25 October 1944

The tide had turned in the Pacific. The US and its Allies were gaining ground on the Japanese, pushing closer to Japan. With the American move on the Philippines, the Japanese unleashed their battleship Yamato to face the American threat. The epic Battle off Samar would pit American carriers against a last ditch effort by the Japanese Navy.
by Chris Perello

26

Of Soviet Mice & Men Biological Warfare & the Battle of Stalingrad

Biological warfare has been used throughout history. During World War II, the Soviet Union unleashed the Tularemia virus in the city of Stalingrad. Weather, disease, and the Soviet counterattack helped drive the Germans from the city in one of the bloodiest battles of the war.
by Gilberto Villahermosa

40

Nazi Germany's Alpine Redoubt Myth or Reality?

With defeat inevitable for the Germans, some within the Nazi leadership proposed turning the alpine region of Austria into a last-stand redoubt. The Allies understood the threat this plan presented. Focused on crushing the German regime, the Allies diverted their forces towards the Alpine Redoubt instead of pushing towards Berlin.
by J.E. Kaufmann & H.W. Kaufmann

54

Chasing shadows, A reassessment of the Royal Navy in the Mediterranean Sea 1940-1943

The war in the Mediterranean pit the Royal Navy against the Italian Navy. Hoping to achieve a grand Trafalgar-type victory against the Italians, the British instead faced a long, drawn-out conflict that led to a reassessment of naval strategy.
by Arrigo Velicogna
